To whom it may concern.

This letter serves to confirm that I have known and worked with Wojtek Holownia of BW art Architects Inc. on numerous commercial renovation projects such as Enterprise Rent-a-Car offices in Barrie, Peterborough, Whitby, Richmond Hill, Toronto and Mississauga. Value of this projects ranged from 100 to 500 thousand dollars.

I have been working closely with BW art Architects since 2004. As a President of Ants Incorporated, commercial development & contracting company located in Markham, I had an opportunity to develop extensive working relationship with Wojtek over the past several years. I have been nothing but impressed by his professionalism as well as his organizational skills, problem solving ability and willingness to cooperate with project team. Through his efforts he has helped us achieve our goals while maintaining his firm's design intent.

In short, I have and will continue to hold Wojtek and his company BW art Architects in the highest regard and it would be a privilege to expand my opinions of him and his professionalism should you wish to contact me as a reference

Yours sincerely,

Martin Kus, President
